COMPLAINT 01-21283
OFFENSE: SUPP - CSC

INITIAL INFORMATION

On above date and time I responded along with Officers Fantin and Seghi to 612 Taylor Street, #6, to make contact and place under arrest the suspect, ERIC ANDREW GARDNER, for the CSC offense. I responded around back of the residence and was advised shortly there after that Officers Seghi and Fantin were out with the subject and had him in custody. I then responded and picked up my vehicle, driving it to the parking lot in front of the residence. The subject was brought out of the residence by Officer Seghi. He was handcuffed in front and I then transported him back to the PHPD for further interviews by Officer Fantin as well as additional investigation reference this incident.

PROCESS

Upon arriving at the PHPD, I did open the door so that MR. GARDNER could exit and then I showed him into the processing area where I then processed him for the arrest for which he was fingerprinted and photographed.

SUBJECT STATEMENTS

Upon asking GARDNER about past history of mental incidents or suicide attempts, he stated, "Suicidal? After today I am."

It should be noted that while being processed at the SCC Jail before placing him into the cell he was asked if he was suicidal and he indicated to Corrections Officer Folski (unknown spelling) that he was.

PHOTOGRAPH

Prior to having him processed at the jail, I was directed by Officer Fantin, who had a search warrant with him, that photographs needed to be taken of GARDNER'S genitals. Several photos were taken using the department issued 35mm autofocus camera. The film was rewound and left at the desk clerk's station to be transported for processing.

While taking the photos, I did take a photo of GARDNER'S testicles and it did appear that one was smaller than the other, possibly because one of the testicles was hanging lower than the other. Furthermore, I was unable to see any scars clearly due to the fact that GARDNER is very hairy on his legs, groin, and stomach area. I attempted to move some hair to look further or closer for a scar and was unable to find one.
